STRATOLAUNCH STANDARD TERMS AND CONDITIONS FIRM FIXED PRICE – SERVICES

- 1. FORMATION OF CONTRACT.** This proposed purchase order, which incorporates by reference these provisions and all other terms and conditions set forth in this proposed purchase contract (collectively, the “Purchase Order”), is Buyer's offer to purchase the services and any related goods, materials, and/or other deliverables (collectively, the “Services”) described in this offer. Acceptance is strictly limited to the terms and conditions included in this offer. Unless specifically agreed to in writing by Buyer's Authorized Procurement Representative, Buyer objects to, and is not bound by, any term or condition that differs from or adds to this offer. Seller's commencement of performance or acceptance of this offer in any manner shall conclusively evidence acceptance of this offer as written. Seller's provision of the Services shall be governed solely by this Purchase Order. Buyer and Seller are referred to herein as a “Party” or collectively as the “Parties.” Except as authorized herein, no amendment or modification of this Purchase Order shall bind either Party unless it is in writing and is signed by the authorized representatives of the Parties.
- 2. SCOPE OF SERVICES.** Seller shall furnish the Services set forth in the Purchase Order during the term of this Purchase Order.
- 3. INDEPENDENT CONTRACTOR.** Seller is an independent contractor for all purposes. Seller shall have complete control over the performance of, and the details for accomplishing, the Services. In no event shall Seller or its agents, representatives or employees be deemed to be agents, representatives, or employees of Buyer. Seller's employees shall be paid exclusively by Seller for all Services performed. Seller shall comply with all requirements and obligations relating to such employees under federal, state, and local law (or foreign law, if applicable). Such compliance shall include, but not be limited to, laws regarding minimum wages, social security, unemployment insurance, federal and state income taxes, and workers' compensation insurance.
- 4. STANDARDS.** Seller shall assign personnel satisfactory to Buyer to perform the Services provided in this Purchase Order. Buyer may, for good cause shown in Buyer's sole determination, require Seller to withdraw the services of any person and require that Seller promptly provide replacements for such person satisfactory to Buyer. Seller shall indemnify and hold harmless Buyer from and against any liabilities, claims, charges or suits for alleged losses, costs, damages, or expenses arising from Buyer's exercise of its rights hereunder.
- 5. SCHEDULE.** Time is and shall remain of the essence in the performance of this Purchase Order and Seller shall strictly adhere to the schedules specified in this Purchase Order. Failure to deliver in accordance with the Purchase Order schedule, if unexcused, shall constitute a material breach of this Purchase Order. In the event of any anticipated or actual delay, including but not limited to delays attributed to labor disputes, Seller shall: (i) promptly notify Buyer in writing of the reasons for the delay and the actions being taken to overcome or minimize the delay; (ii) provide Buyer with a written recovery schedule; and (iii) if requested by Buyer, ship via air or expedited routing, at no additional cost to Buyer, to avoid or minimize delay to the maximum extent possible. Seller shall not deliver Services earlier than thirty (30) calendar days prior to the scheduled delivery dates unless authorized in writing by Buyer's Authorized Procurement Representative.
- 6. NOTICE TO BUYER OF LABOR DISPUTES.** If Seller has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this Purchase Order, Seller shall immediately give notice thereof, including all relevant information, to Buyer.
- 7. PACKING AND SHIPPING**
 - a. Seller shall pack the goods and materials to prevent damage and deterioration. Buyer may charge Seller for damage to or deterioration of any goods resulting from improper packing or packaging.
 - b. If the Purchase Order specifies FOB destination (place of delivery), then in addition to any other shipping instructions, Seller shall forward goods freight prepaid. Seller shall make the transportation arrangements, pay the shipping costs, and remain responsible for the goods and materials until the goods and materials are delivered and the Buyer takes possession at the destination.
 - c. If the Purchase Order specifies FOB origin (place of shipment), then in addition to any other shipping instructions, Seller shall forward goods collect. For goods shipped within the United States, Seller shall make no declaration concerning the value of the goods shipped except on Goods where the tariff rating is dependent upon released or declared value. In such event, Seller shall release or declare such value at the maximum value within the lowest rating. Upon Buyer's request, Seller shall identify packaging charges showing material and labor costs for container fabrication.
 - d. Seller shall clearly mark all containers with necessary lifting, handling, and shipping information, Purchase Order Numbers, date of shipment, and the names of Buyer and Seller. Purchase Orders shall indicate a “Ship To” address. Seller shall not make, and Buyer shall have no obligation to accept, any partial shipments or shipments received before the date specified

STRATOLAUNCH

in the Purchase Order. All shipments shall be accompanied by an itemized packing list. Seller shall mark all invoices, bills of lading, and packing lists to show legibly the complete Purchase Order Number to which they relate. If Seller does not place an accurate Purchase Order Number on any document, Buyer will incur internal costs and may assess Seller a reasonable handling charge.

- e. Seller shall establish and maintain a quality control system acceptable to Buyer for the goods purchased under this Purchase Order. Seller shall permit Buyer to review procedures, practices, processes, and related documents to determine such acceptability. Seller shall promptly notify Buyer in writing when discrepancies in Seller's process, including any violation of or deviation from Seller's approved inspection/quality control system, or goods are discovered or suspected regarding goods delivered or to be delivered under this Purchase Order, including the quantity and specific identity of any impacted goods.

8. CHANGES

- a. Buyer's Authorized Procurement Representative may, without notice to sureties and in writing, direct changes within the general scope of this Purchase Order in any of the following: (i) technical requirements and descriptions, specifications, statement of work, drawings or designs; (ii) shipment or packing methods; (iii) place of delivery, inspection or acceptance; (iv) reasonable adjustments in quantities or delivery schedules or both; (v) amount of Buyer-furnished property; (vi) terms and conditions of this Purchase Order required to meet Buyer's obligations under customer prime contracts or subcontracts; (vii) description of services to be performed; (viii) the time of performance (e.g., hours of the day, days of the week, etc.); and (ix) place of performance. Seller shall comply promptly with such direction. Except for the rights granted to Buyer under this Article, a change pursuant to this Article shall not give rise to nor authorize any other modification of or amendment to the terms and conditions of this Purchase Order.
- b. If such change increases or decreases the cost or time required to perform this Purchase Order, Buyer and Seller shall negotiate an equitable adjustment in the price or schedule, or both, to reflect the increase or decrease. Buyer shall modify this Purchase Order in writing accordingly. Unless otherwise agreed in writing, Seller must assert any claim for adjustment to Buyer's Authorized Procurement Representative in writing within twenty-five (25) days and deliver a fully supported proposal to Buyer's Authorized Procurement Representative within sixty (60) days, after Seller's receipt of such direction. Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller's proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Buyer may examine Seller's pertinent books and records to verify the amount of Seller's claim. Failure of the Parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer's direction.
- c. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative promptly in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.

9. SUSPENSION OF WORK

- a. Buyer's Authorized Procurement Representative may, by written order, suspend all or part of the work to be performed under this Purchase Order for a period not to exceed one hundred (100) days. Within such period of any suspension of work, Buyer shall: (i) cancel the suspension of work order; (ii) terminate this Purchase Order in accordance with the "Termination for Convenience" Article of this Purchase Order; (iii) cancel this Purchase Order in accordance with the "Cancellation for Default" Article of this Purchase Order if grounds for default exist; or (iv) extend the stop work period.
- b. Seller shall resume work whenever a suspension is canceled. Buyer and Seller shall negotiate an equitable adjustment in the price or schedule or both if: (i) this Purchase Order is not canceled or terminated; (ii) the suspension results in a change in Seller's cost of performance or ability to meet the Purchase Order delivery schedule; and (iii) Seller submits a claim for adjustment within twenty (20) days after the suspension is canceled.

10. TERMINATION FOR CONVENIENCE. Buyer may terminate all or part of this Purchase Order, effective as of the date specified by Buyer, in accordance with the provisions of Federal Acquisition Regulation ("FAR") 52.249-2 (Apr 2012), "Termination for Convenience of the Government (Fixed Price)," which provisions, except for subparagraphs (d) and (j), are incorporated by reference. The terms "Government" and "Contracting Officer" shall mean "Buyer," "Contractor" shall mean "Seller," and the phrase "1 year" is deleted each place it occurs and "six months" is substituted in its place. The time for requesting an equitable adjustment under subparagraph I (lower case letter "L") is reduced to forty-five (45) days. Settlements and payments under this Article may be subject to approval by the Contracting Officer and the Settlement Review Board.

11. CANCELLATION FOR DEFAULT

- a. Buyer may, by written notice to Seller, cancel all or part of this Purchase Order: (i) if Seller fails to deliver the Services within the time specified by this Purchase Order or any written extension; (ii) if Seller fails to perform any other provision of this Purchase Order or fails to make progress, so as to endanger performance of this Purchase Order, and, in either of these two

STRATOLAUNCH

circumstances, within ten (10) days after receipt of notice from Buyer specifying the failure, does not cure the failure or provide Buyer with a written detailed plan adequate to cure the failure if such failure reasonably cannot be cured within such ten (10) days and such plan is acceptable to Buyer's Authorized Procurement Representative; or (iii) in the event of Seller's bankruptcy, suspension of business, insolvency, appointment of a receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors.

- b. Seller shall continue all Services not canceled. If Buyer cancels all or part of this Purchase Order, Seller shall be liable for Buyer's excess re-procurement costs.
- c. Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any (i) completed goods, and (ii) any partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information and contract rights (collectively, "Manufacturing Materials") that Seller has specifically produced or acquired for the canceled portion of this Purchase Order. Upon direction from Buyer, Seller shall also protect and preserve property in its possession in which Buyer or its customer has an interest.
- d. Buyer shall pay the Purchase Order price for completed goods accepted. In addition, any payment for Manufacturing Materials accepted by Buyer and for the protection and preservation of property shall be at a price determined in accordance with the "Termination for Convenience" Article of this Purchase Order, except that Seller shall not be entitled to profit. Buyer may withhold from any amount due under this Purchase Order any sum Buyer determines to be necessary to protect Buyer or Buyer's customer against loss because of outstanding liens or claims of former lien holders.
- e. If, after cancellation, it is determined that Seller was not in default, the rights and remedies of the Parties shall be as if the Purchase Order had been terminated according to the "Termination for Convenience" Article of this Purchase Order.

12. FORCE MAJEURE. Seller shall not be liable for the excess re-procurement costs pursuant to the "Cancellation for Default" Article of this Purchase Order incurred by Buyer because of any failure to perform this Purchase Order under its terms if the failure arises from causes beyond the control and without the fault or negligence of Seller. Examples of these causes are: (a) acts of God or of the public enemy; (b) acts of the Government in either its sovereign or contractual capacity; (c) fires; (d) floods; (e) epidemics; (f) quarantine restrictions; (g) strikes; (h) freight embargoes; and (i) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of Seller. If Seller's failure is caused by the failure of a subcontractor of Seller and if such failure arises out of causes beyond the reasonable control of both, and if such failure is without the fault or negligence of either, Seller shall not be liable for excess re-procurement costs unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedules. Seller shall notify Buyer in writing within ten (10) days after the beginning of any such cause(s). In all cases, Seller shall use reasonable efforts to avoid or minimize all such failures, including exercising work-around plans or obtaining the Services from other sources.

13. QUALITY CONTROL. Seller shall establish and maintain a quality control system acceptable to Buyer for the Services purchased under this Purchase Order. Seller shall permit Buyer to review procedures, practices, processes, and related documents to determine such acceptability.

14. SELLER NOTICE OF DISCREPANCIES. Seller shall promptly notify Buyer in writing when discrepancies in Seller's process, including any violation of or deviation from Seller's approved inspection/quality control system, or goods/materials are discovered or suspected which may affect the Services delivered or to be delivered under this Purchase Order.

15. INSPECTION

- a. At no additional cost to Buyer, Services shall be subject to inspection, surveillance and test at reasonable times and places, including Seller's subcontractors' locations. Buyer shall perform inspections, surveillance, and tests so as not to unduly delay the work.
- b. Seller shall maintain an inspection system acceptable to Buyer for the Services purchased under this Purchase Order.
- c. If Buyer performs an inspection or test on the premises of Seller or its subcontractors, Seller shall furnish, and require its subcontractors to furnish, without additional charge, reasonable facilities, and assistance for the safe and convenient performance of these duties.
- d. Buyer's rights to perform inspections, surveillance, and tests and to review procedures, practices, processes and related documents related to quality assurance, quality control, flight safety and configuration control shall extend to the customers of Buyer that are departments, agencies or instrumentalities of the United States Government, including the United States Government Federal Aviation Administration and any successor agency or instrumentality of the United States Government. Buyer may also, at Buyer's option, by prior written notice from Buyer's Authorized Procurement Representative, extend such rights to other customers of Buyer and to agencies or instrumentalities of foreign governments equivalent in purpose to the Federal Aviation Administration. Seller shall cooperate with any such United States Government-directed or Buyer-directed inspection, surveillance, test, or review without additional charge to Buyer. Nothing in this Purchase Order shall be

STRATOLAUNCH

interpreted to limit United States Government access to Seller's facilities pursuant to law or regulation.

- e. Program reviews and production readiness assessments will be held at Seller's facilities or Buyer's facilities, as requested by Buyer. The topics of these reviews will be specified by Buyer and may include Seller's current and future capacity and capabilities, raw material and component part status, production status, Buyer-supplied components, inventory, Buyer's requirements, changes, forecasts, disaster preparedness, and other issues pertinent to Seller's performance under this Purchase Order.

16. ACCEPTANCE AND REJECTION

- a. Buyer shall accept the Services or give Seller notice of rejection within a reasonable time after the date of delivery. No payment, prior test, inspection, passage of title, any failure or delay in performing any of the foregoing, or failure to discover any defect or other nonconformance shall relieve Seller of any obligations under this Purchase Order or impair any rights or remedies of Buyer.
- b. If Seller delivers defective or non-conforming Services, Buyer may at its option and at Seller's expense: (i) require Seller to promptly reperform, correct or replace the Services; (ii) correct the Services; or (iii) obtain replacement Services from another source. Return to Seller of defective or non-conforming Services and redelivery to Buyer of corrected or replaced Services shall be at Seller's expense.
- c. Seller shall not redeliver corrected or rejected Services without disclosing the former rejection or requirement for correction. Seller shall disclose any corrective action taken. All repair, replacement and other correction and redelivery shall be completed as Buyer may reasonably direct.

- c. This warranty shall begin upon Buyer's final acceptance of the Services and shall survive inspection, test and payment for, the Services. This warranty shall extend for a period of one (1) year or such period as set forth elsewhere in this Purchase Order, and Buyer shall give Seller notice after discovery of any defect or nonconformance in the Services. This warranty shall run to Buyer and its successors, assigns and customers. In the event of any defect or non-conforming Services, Buyer may, at its option and at Seller's expense, either (i) require correction, replacement or reperformance of any defective or nonconforming Services, or (ii) make an equitable adjustment in the price of this Purchase Order. Counterfeit Goods shall be deemed nonconforming to this Purchase Order.

- b. Seller shall implement an appropriate strategy to ensure that goods furnished to Buyer under this Purchase Order are not Counterfeit Goods. - c. If Seller becomes aware or suspects that it has furnished Counterfeit Goods to Buyer under this Purchase Order, Seller promptly, but in no case later than thirty (30) days from discovery, shall notify Buyer and replace, at Seller's expense, such Counterfeit Goods with OEM or Buyer-approved goods that conform to the requirements of this Purchase Order. Seller shall be liable for all costs related to the replacement of Counterfeit Goods and any testing or validation necessitated by the installation of authentic goods after Counterfeit Goods have been replaced.

If, as a result of Seller's or its subcontractor's foregoing conduct, the Government imposes a penalty on or charges Buyer interest, Buyer may recover from Seller the amount of that interest or penalty.
- b. For the purposes of paragraphs a and b of this Article, if Buyer is a higher-tier subcontractor, "Government" means the higher-tier contractor and "prime contract" means the higher-tier subcontract.
- c. Seller shall not raise as defenses the matters listed in FAR 52.215-10(c)(1) (AUG 2011) or FAR 52.215-11(d)(1) (JUN 2020) unless some other date version or equivalent FAR clause is provided elsewhere in this Contract.

24. CONFIDENTIAL, PROPRIETARY, AND TRADE SECRET INFORMATION AND MATERIALS

- a. Buyer and Seller shall each keep confidential and protect from unauthorized use and disclosure all (i) confidential, proprietary and/or trade secret information of a Party or third party information authorized to be disclosed by a Party, including without limitation specifications and information pertaining to qualification, certification, manufacturing, and/or quality testing and procedures; (ii) software containing, conveying or embodying such information; and (iii) tooling that is obtained, directly or indirectly, from the other in connection with this Purchase Order or other agreement, including Buyer's contract with its customer, if any, (collectively referred to as "Proprietary Information and Materials"). - b. Buyer and Seller shall each use Proprietary Information and Materials of the other only in the performance of and for the purpose of this Purchase Order, other contracts between the Parties, and Buyer's contract(s) with its customer, if any. However, despite any other obligations or restrictions imposed by this Article or any prior agreement, Buyer shall have the right to use, reformat and reproduce Seller's Proprietary Information and Materials internal to Buyer, regardless of when disclosed. Buyer shall further have the right to, use, disclose, reproduce and make derivative works of Seller's Proprietary Information and Materials (i) to fulfill Buyer's obligations under, and (ii) for the purposes of testing, certification, use, sale or support of any Services delivered under, this Purchase Order (or Buyer's products containing such Services), other contracts with Seller and Buyer's contract with its customer, if any. Any such use, disclosure, reproduction or derivative work by Buyer shall, whenever appropriate, include a restrictive legend suitable for the particular circumstances. In addition to disclosures permitted hereunder, a receiving Party may disclose received Proprietary Information and Materials in response to a subpoena or court order duly issued in a judicial or legislative process, provided that the receiving Party has used reasonable

STRATOLAUNCH

efforts to give the disclosing Party advance written notice of any such disclosure requirement in order to enable the disclosing Party (i) to seek an appropriate protective order or other remedy; (ii) to consult with the receiving Party with respect to the disclosing Party's taking steps to resist or narrow the scope of such request or legal process; or (iii) to modify or waive compliance, in whole or in part, with the terms of this section. In the event that such protective order or other remedy is not obtained in a timely manner, or the disclosing Party modifies or waives compliance, the receiving Party shall use commercially reasonable efforts to disclose only that portion of the Proprietary Information and Materials which is legally required to be disclosed and to require that all Proprietary Information and Materials that is so disclosed will be accorded confidential treatment.

- c. Upon Buyer's request at any time, and in any event upon the completion, termination or cancellation of this Purchase Order, Seller shall return to Buyer all of Buyer's Proprietary Information and Materials and all materials derived therefrom, unless specifically directed otherwise in writing by Buyer. Seller shall not at any time (i) dispose of (as scrap or otherwise) any goods, parts or other materials containing, conveying, embodying or made in accordance with or by reference to any Proprietary Information and Materials of Buyer without the prior written authorization of Buyer or (ii) make, use, or sell any goods, parts or other materials containing, conveying, embodying or made in accordance with or by reference to any Proprietary Information and Materials of Buyer, except to the extent required to perform this Purchase Order without Buyer's written approval, which may take the form of a license agreement between the Parties requiring payment by Seller of a reasonable license fee to Buyer as consideration for each use of such Proprietary Information and Materials of Buyer. Prior to disposing of such goods, parts or other materials as scrap, Seller shall render them unusable. Buyer shall have the right to audit Seller's compliance with this Article.
- d. Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors as required for the performance of this Purchase Order, provided that each such subcontractor first agrees in writing to obligations no less restrictive than those imposed upon Seller under this Article. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.
- e. The provisions of this Article are effective notwithstanding the application of any restrictive legends or notices to Proprietary Information and Materials. The provisions of this Article shall survive the performance, completion, termination or cancellation of this Purchase Order.

25. INTELLECTUAL PROPERTY INDEMNITY. Seller shall indemnify, defend and hold harmless Buyer and its customer from all claims, suits, actions, awards (including, but not limited to, awards based on intentional infringement of patents), liabilities, damages, costs and attorneys' fees related to the actual or alleged infringement of any intellectual property right or misappropriation or wrongful use of information or documents, and arising out of or related to the use, manufacture, reproduction, sale or other distribution of Goods by Buyer or its customer. Buyer and/or its customer shall timely notify Seller of any such claim, suit or action. Seller shall, at its own expense, defend such claim, suit or action and Buyer shall have the right to participate in the defense at its own expense. Seller shall have no obligation to indemnify Buyer for infringement arising from (i) the compliance of Seller's new product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (ii) use or sale of Goods for other than their intended application when such infringement would not have occurred from the use or sale of those Goods solely for the purpose for which they were designed or sold by Seller. The exception in (i) above shall not apply if the infringement arises out of adherence to one or more industry standards or regulatory requirements. For purposes of this Article only, the term Buyer shall include all Buyer officers, agents and employees of Buyer or its subsidiaries.
